### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR

1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Mr. Tim Ziolkowski on November 4, 2004.

3. The application has been amended as follows:

In claims 2 and 29, the status identifiers "Previously Presented" have been replaced with --Currently Amended--.

4. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest the following in combination with the remaining limitations of the claims:

A dual temperature indicator stick assembly comprising a pair of extension mechanisms extending from the connector and constructed to independently and proportionally advance each of the indicator sticks upon rotation of the respective extension mechanism (see independent claim 1).

Art Unit: 2859

A dual temperature indicator stick apparatus wherein rotation of a respective advancing means extends a corresponding indicating means in a controlled manner from the retaining means (see independent claim 16).

A method to provide a dual temperature indicator stick assembly comprising forming a first and a second extension mechanism connected to the single assembly and constructed to engage and extend the first and the second indicator sticks from the assembly upon rotation of each respective extension mechanism (see independent claim 22).

A dual temperature indicator stick assembly wherein each marking end of the connector has an extension member connected thereto and constructed to extend and retract a respective indicator stick housed therein in a controlled manner by rotation relative thereto (see independent claim 31).

The examiner's statement of reasons for allowance for claims 10-15, 28-30, and 32 can be found in the Office action mailed 3/03/04.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mirellys Jagan whose telephone number is 571-272-2247. The examiner can normally be reached on Monday-Friday from 11AM to 5PM.
